

# MARCH 25, 2016 SPRINGING INTO ACTION

## MAMA's Neighborhood Networks of Care

Want to know what exciting activities we have planned for 2016? Join us for a special presentation on building MAMA's Neighborhood community resources! This webinar will discuss how to become a MAMA's Neighborhood community partner and partner benefits, recruiting patients for your organization at DHS clinics, sending clients to MAMA's Neighborhood FREE Prenatal Education and Childbirth Preparation Classes and so much more!

### Who should attend?

Doctors, Midwives, Nurses, Nutritionists, Health Educators, Care Coordinators, Mental Health Providers, Community Agencies with Specialties in Parenting, Substance Use, Housing Placement, Food Access, Pregnancy and Childbirth Education and More!
